

## **The SCILS and EILS websites**

**SCILS (Social Care Information and Learning Services)** provides training materials/information for staff working with adults and **EILS (Education Information and Learning Services)** for staff working with children and families/Early Years.

### **The following facilities are on the websites:**

#### **Individual Learning Sessions:**

Learning sessions (up to an hour and a half in length) covering a wide range of topics for individual staff at all levels in your organisation. Sessions can be completed online, or printed out in hardcopy.

#### **Group Learning Sessions:**

Designed for managers or those with training responsibilities to download and run with their staff. All come with handouts ready for photocopying, step by step guidance for running the session and clear learning objectives.

#### **Post Qualifying Award.**

Guidance for staff in the process of putting together their PQ Portfolio.

#### **A1/A2 Assessor and V1 Verifier Awards.**

Guidance for staff in the process of undertaking either of the above Awards.

#### **Learning Needs Analysis Tools:**

Enabling you to audit the skills/knowledge of your staff and identify their training and developmental needs.

#### **News desk:**

This will keep you up to date with the changes taking place in Health, Social Care, Housing, Education and the Voluntary Sector twice weekly. Key issues/documents relating to policy, research, legislation, news etc. are identified from over 60 websites, such as Department of Health, Skills for Care, SCIE, CSCI, Department of Education etc. We will email you with a summary of the new information and a link into the actual page of the full document/article.

#### **Discussions Board:**

A forum for registered users to ask questions or start discussions with other registered users.

#### **Question and Answer Facility:**

Ask a question using an online form and we guarantee you an answer within 48 hours.

#### **For more information:**
